Please Use Trails

Fragile, living desert soils are destroyed by tire tracks and footprints. Travel on designated roads. Hike on trails, slickrock or sandy washes.

Protect the Past

Admire rock art with your eyes. Touching or scratching destroys it. Leave artifacts alone.

Pack Out All Trash

If you bring it in, bring it out, including all trash and food scraps.

Pack Out Your Poop

Human waste is a real health concern around Moab. Pack it out in approved waste bags.

Respect Wildlife

Do not chase wildlife. Keep pets under control and maintain distance. Remain quiet for the best viewing.
